HONORS DAY CONVOCATION

*G*reetings,

As our 50th anniversary Jubilee celebration draws to an end, we would like to take this opportunity to honor the most important part of our prestigious history, our students. Their dedication, determination, and will to succeed are quite remarkable. On this day of celebration, our campus community extends the warmest of welcomes to families and friends of our honored students and to the faithful alumni who have joined us. The ties which bind us to each other are strong. As we honor our students, we also remember and celebrate those whose commitment and vision have shaped Shelton State into the dynamic institution that it is today.

Each of the students being honored today will proudly display a medallion with the newly created Shelton State seal. While the design of the seal is new, the attributes that it stands for are not.

Academic Excellence, Career and Technical Achievement, Community Service.

Using these ideals as a guide to navigate through our ever-changing world, will serve us well as we continue to educate West Alabama and strive to become one of the top community colleges in America. We hope that our students have seen these qualities exhibited in us during their time here and will hold fast to the ideals of excellence, achievement and service throughout their lives.

Congratulations, honored students, and sincere best wishes for success in your future endeavors. This is your special day!

Rick Rogers

EXCELLENCE IN ACADEMICS AND LEADERSHIP

2002-2003 SHELTON STATE AMBASSADORS

The Shelton State Ambassador program was developed to provide members extensive leadership training, while offering them the opportunity to serve as the official hosts for Shelton State Community College. Ambassadors are chosen on the basis of leadership potential, community service, and commitment to Shelton State. Members work closely with the administration and faculty of the College to convey Shelton State's message to the community.
